

Canyon Creek
POA

Addressing the
Coronavirus:

During the evolving coronavirus situation and the rising concerns about the spread of COVID – 19, we wanted to update the community on the precautions and safety measures being implemented to keep our staff and community safe. The CC Board of Directors along with Management, after careful consideration, has decided to temporarily close public access to the POA and business office. This will be implemented beginning today March 18th 2020 and will continue until further notice. Office hours will remain the same and staff will be available by phone or email. Gate and patrol will continue regular course of business with the exception that the gate attendants will not be accepting payments, exchanging documents of any kind or any hand to hand contact. Canyon Creek highly suggests that you refrain from visiting/using amenities including playground equipment, for we do not have the ability to disinfect common areas following use but will deep clean these areas prior to re-opening to the public.

Please mail your payments in or you may contact the office and pay by credit or debit card. All permits, deeds or other documents can be emailed to one of the office staff.

We will be working hard to do everything we can to continue to serve our members to the best of our ability.

Take care and stay safe. I will keep you informed as things change.
